

CAREGIVER CONNECTIONS

Caring for someone with cancer can be challenging as well as fulfilling. Connecting with other caregivers in similar situations provides an opportunity to share information and relieve some of the physical and emotional stress that comes with the role of caregiver.

Join us as we explore topics of concern and learn new ways to support your loved one while caring for yourself. Facilitated by experienced Oncology Nurse Navigators and Oncology Therapists.

All Life with Cancer programs are offered at no cost. To register go to www.lifewithcancer.org, click on the Class Registration page or call 703-698-2526.
